

# Learn the Basics of Free-Motion Quilting

Feel the Rhythm

“You can’t play in the orchestra, unless you show up for rehearsal. Before you attend the rehearsal, you need to practice regularly.” This is David’s mantra for free-motion quilting. This class will start beginners off with simple movement exercises to strengthen your free-motion abilities. Once you learn the notes, you’ll be ready for a symphony!

**STUDENT SUPPLIES NEEDED:**

- Thread snips or small scissor
- Small bag for thread ends

**STUDENT KIT FEE: \$35**

Kit includes all pre-washed fabric and batting sandwiches and thread.
